* Sizes and weights given are approx only and are based on 550mm standard width tread models. ** Weights shown are double handrail models.

CONSIDER WITH CARE THE HEIGHT REQUIRED WHEN ORDERING STEPS

Climb With Confidence

No. 6513

- 1 Access Barred Retractable Brake.
- 2 Full Height Handrail.
- 3 Ample Platform Area
approx 550mm x 400mm
- 4 Kick Flats all around. (KE7 - KE15)
- 5 Choice of Treads, Punched Metal or Anti-Slip.
- 6 Retractable Swivel Castors.
- 7 Rubber Tyred Wheels and Castors.
- 8 Large Steel Feet. (KE7 - KE15)
- 9 ERW Steel Tube to British Standards.

Variations Available On Standard Include:

- Top hinged metal shelf
- Walk through back
- Walk through sides left or right all fitted with safety chain restraint
- Single handrails (not recommended on 13,14 or 15 tread steps)
- Colour choice of either Pacific Blue or Signal Red
